

ADDITIONAL REQUIREMENTS' PROBLEMS/AMBIGUITIES

What exactly constitutes a "transaction"? It is monetary transactions *only*, or every command?

TRANSACTION FILES

- Should the transaction payment fees be taken into account? Assumed they do not.

WITHDRAWAL

- Is there a minimum amount to be withdrawn? Assumed < 0 .

DEPOSIT

- Is there a minimum amount to deposit? Assumed < 0 .

CHANGE PLAN

- Can a disabled account change plans, since it is not a monetary transaction? Assumed no.

END_OF_FILE ACCOUNT

- Should it be set to enabled or disabled? Does it matter? Assumed disabled.
